

# The Bible

- It is God's own Word. *2 Timothy 3:16; Luke 11:28*
- It tells us of God's love to mankind. *John 5:39; Exodus 34:6-7*
- God gave the writers the very thoughts and words they were to write (Verbal Inspiration). *2 Peter 1:21*
- It is God's final Word to mankind. *Hebrews 1:1-2*
- All of the Bible is true and without error. *John 17:17; John 10:35*
- It is the only authority and guide in all that we do and believe. *2 Timothy 3:15ff*
- Its purpose is to show us Jesus, the only way to heaven. *2 Timothy 3:15*
- God wants us to read the Bible, study it, hear it preached, believe it and live according to it. *Luke 11:28; John 14:23*

## This Is What The Bible Teaches
