

# FELLOWSHIP

- God commands that we teach and practice His Word exactly as He gave it. (*John 8:31; 2 Timothy 4:3-4*)
- God wants us to join with those who hold to His pure Word both in confession and practice. (*1 John 1:3*)
- Where there is unity in confession and practice, we join in worship, prayer, Christian education and mission work. (*Hebrews 10:24-25*)
- God forbids joining in fellowship with anyone who persists in mixing any false teaching with His Word. (*Romans 16:17; 2 Corinthians 6:14,17 & 7:1*)
- God commands that we separate ourselves from those who persist in errors out of love for God's Word; to warn concerning errors; and to guard our own faith. (*2 Corinthians 13:8; 2 Timothy 2:17*)
