

JUSTIFICATION

- God has “justified”, that is, declared all people innocent of their sins because Jesus died for them (Romans 5:18)
- All people need this justification before God because all people are sinners (Romans 5:12; Romans” 5:18)
- A person receives this free gift of forgiveness not by what he does, but only by faith (Ephesians 2:8-9)
- Although Jesus died for all, not all believe this and so the unbeliever loses this forgiveness (Mark 16:16)
- The Holy Spirit, through the Gospel, moves a person’s heart to believe in Jesus (1 Corinthians 12:3; Romans 10:17)
- Rejection of the Gospel and damnation are totally man’s fault (Matthew 23:37; Acts 7:5)
- All the credit for our salvation goes to God (Ephesians 2:8-9)
